

PROVIDING PEOPLE, BUILDING THE FUTURE

ABOUT **BMSL** GROUP

Incorporated in 1996 and privately owned BMSL has established itself as one of the leading Recruitment agencies in the Building Services, Construction, Rail and Engineering industries throughout the UK.

Offering both Temporary and Permanent recruitment solutions from a single worker to a complete project team we are able to provide clients worldwide, complemented with our other support services.

BMSL provide a comprehensive and evolving service, finding solutions to our clients recruitment, training and logistic needs in a professional and cost effective manner.

We have developed and actively maintain a 100,000 plus database of live operatives, this interactive database is kept up to date with qualifications, cv's, references and candidates work history. This enables us to supply our best operatives on every occasion.

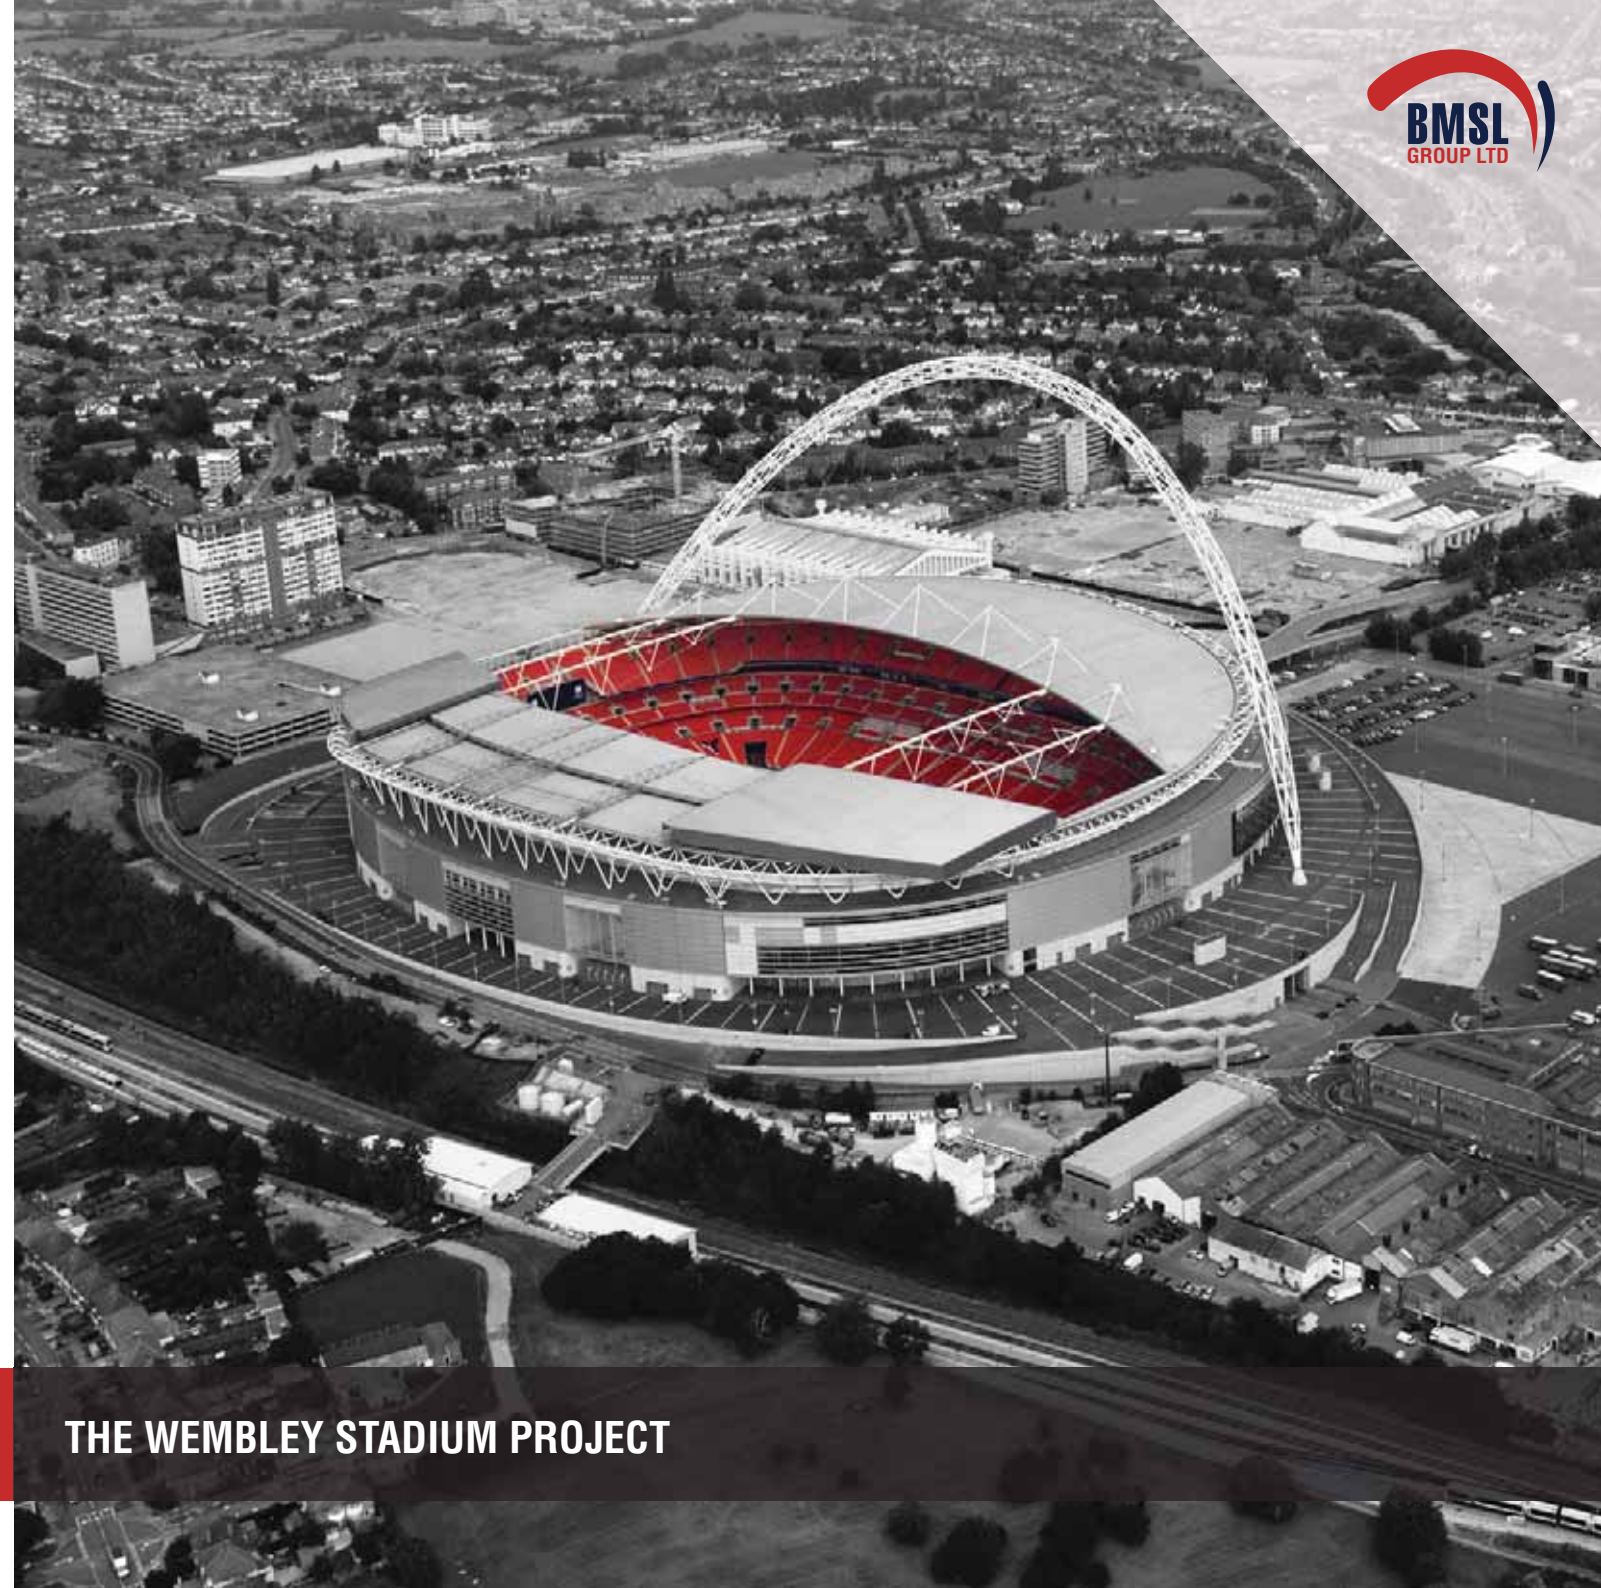

All the staff who have client or sales management duties have worked within the Engineering and Construction industry within a proven track record of successful management progressing to hold some of the most senior positions in companies within the industry.

With the Construction market being a place of constant change our dynamic approach is effective and adds value to our clients businesses, as a group we are continually pioneering new working practices to spearhead high profile jobs throughout the UK.

THE UK'S LEADING PROVIDER OF QUALITY CANDIDATES TO THE

THE WEMBLEY STADIUM PROJECT

MECHANICAL & ELECTRICAL (M&E)

BMSL's Mechanical & Electrical Division have partnered with key clients to provide labour to some of the UK's most prestigious projects. Dating back to 1996 BMSL have established a reputation as one of the most proactive and unique employment agencies in the country.

The ability to offer tailor made recruitment solutions for prominent and high profile projects is what stands BMSL apart from others. Alliances with Clients, Unions, Industry Associations and Training Providers have enabled projects to be delivered to a high standard and in an efficient manner.

No project is too big or too small. BMSL's branch network offer vast experience coupled with a superb local knowledge of the local labour force which perfectly matches skills to requirements.
